

## Legend Oaks Rules and Regulations

**Our goal at Legend Oaks is to provide a fun and relaxed environment to enjoy the game of golf.**  
**We welcome players of all levels and ages.**

**Tee Time:** Always book your tee time in advance. Arrive at the course early to ensure you're ready to play on time. All members and non-members are expected to have at least one person from their group check in with the pro shop before starting their round.

**Dress Code:** Follow the course's dress code, which includes collared shirts, golf or athletic shoes, and appropriate attire. Prohibited clothing for the golf course and practice areas include jeans, tee shirts or inappropriate footwear.

**Respect the Course:** Repair any divots (turf removed by your shot), ball marks (on greens), and bunkers (smooth the sand after use).

**Keep Pace:** Play at a good pace to avoid holding up other groups. Typically, a round of golf should take around 4 hours. Be mindful of the time and keep moving. Let faster groups play through when able.

**Safety First:** Always be aware of where other players are before you take a shot. Never hit until the group in front of you is a safe distance away. **DO NOT** hit shots into or near the maintenance crew. They will attempt to move out of your way when they are able. This is grounds for immediate removal.

**Play Ready Golf:** Keep your pre-shot routine brief and be ready to play when it's your turn. If you're ready, hit your shot, even if it's not strictly your turn.

**Course Boundaries:** Understand the out-of-bounds areas (often marked by white stakes or fences) and play accordingly. Do not enter resident's yard to retrieve wayward shots. Any damage made to property by a player's golf ball is the responsibility of that player

**Lost Balls:** If you lose a ball, follow the rules for finding or replacing it. A common rule is to search for 3 minutes before declaring a ball lost. If needed, hit a provisional from the tee box in case you cannot locate the first ball.

**Keep Off the Greens with Carts:** Golf carts should not be driven on or too close to the greens. Stay at least 30 yards away from greens and tees with carts. GPS on carts will warn you when approaching the fairway exit zone.

**Golf Etiquette on the Green:** Take care not to damage the green with your putter or shoes. Repair pitch marks as needed.

**Lost or Damaged Clubs:** Please turn in found clubs to the pro shop or cart attendant after your round. The club is not responsible for replacing any equipment lost on property.
